

# One Day Seminar on the Book of Revelation

## Want to understand the Book of Revelation?

It is often asked, why study the Book of Revelation? There are several reasons:

- It shows us how to live victoriously during both torment and temptation.
- Reminds us that God is in sovereign control.
- Revelation helps us to see the spiritual realities hidden behind our material world.
- Revelation is Christ's message to the church.
- Revelation is a template for worshipping God.
- Revelation is strong encouragement for suffering Christians.
- Revelation is the only book of the Bible that explicitly promises a blessing to those who read it and hear it (Rev. 1:3).

The main focus of our one-day seminar on the Book of Revelation is the blessed hope and assurance we have in Jesus Christ and the importance of sharing the gospel.

Feedback from our one-day seminars shows us that attendees both enjoy the topic and state that they have gained new insights and understanding into the Book of Revelation, as well as found a new desire to share their faith with others.

In an endeavour to help participants better understand and receive the intended blessings in the Book of Revelation, the seminar uses illustrations and stories (some humorous) to explain the historical and cultural background to various passages.

There are two main ways we run the seminar.

Firstly, all day Saturday 9:00am – 4:00pm

Secondly, the first twenty chapters on Saturday 10: 00am - 4:00pm and the last two chapters of Book of Revelation on Sunday morning.

I am happy to discuss with you how this seminar can be held in your church.
